

Dear Resident

### **Update on the Grey Mare Lane Estate Proposals**

We want to update you on the progress being made to improve and invest in the Grey Mare Lane Estate and to tell you how you can contact us to give us your views and request a home visit to discuss your future housing requirements.

We want to develop ideas including proposals to upgrade existing homes and build much needed new ones.

When it comes to our vision for the future of the estate, our focus for demolition is around the flats and maisonettes. We understand this may come as a shock, and that you may have concerns and questions.

We have made an absolute commitment to replace your home, and we will support you through every step of the process.

This project will affect everyone in the area, as we want to improve the whole estate, so we will work alongside all residents, including Owner Occupiers, to provide support and seek your views.

We would very much like to see Grey Mare Lane itself as a vibrant focus for the estate, with improvements to pedestrian and cycle routes, green spaces and parking.

That's why it is important that we talk to residents, seek comments and feedback at every step as we progress plans to shape Grey Mare Lane in a way that reflects residents' views.

We're eager to hear from you, and invite you to join the Grey Mare Lane estate group, which is open to everyone living on the estate. If you would like to be a part of this group, please get in touch with us to put your name forward.

You'll hear from us again soon when we get in touch to let you know how these new plans will affect you.

**We invite you to come and speak to us as soon as it's convenient, and give us your views.**

- **To arrange a home visit:** Call 0330 355 1000 to arrange for one of our team to visit you in your home
- Call into The Grange on Thursdays throughout September
- Come along to a community day on Saturday 7<sup>th</sup> September 11am – 3pm

We will also keep our website [www.onemanchester.co.uk](http://www.onemanchester.co.uk) up to date, so please do continue to visit the site for latest information.

Kind regards

Paul Doherty
