Dear Resident,

Update on the Grey Mare Lane Estate

We would like to thank everyone who came along to our community event at the Grange on Saturday 7th September. The event was well attended and helped us gain information about what residents would like us to consider as we develop ideas for the future of the estate.

We hope that you found it useful to hear about the various ways to get involved over the coming months. Please visit our website for this information and updates about the project at www.greymarelaneestate.co.uk

We have already carried out a number of home visits and we would like to make arrangements to visit everyone so we can discuss any concerns you may have and explain the help and support we can offer.

We explained at the event that we are setting up a Grey Mare Lane group and we would like to know if you are interested in joining this group. If you'd like to register your interest, please let us know.

Also, you may have noticed that we have put hoardings around the Manchester One Pub. We recently bought the pub site and we are planning to demolish it in the next few months.

We need planning permission to do this and we will be making a planning application shortly. There will be information sent to residents living near to the pub site by Manchester City Council in the coming weeks. We want to make it clear that this planning application and demolition is for the pub only.

Please get in touch with me about any of the above matters on 0330 355 1000 or email me at paul.doherty@onemanchester.co.uk

Yours sincerely
