

Welcome to Manchester's Family Service Directory

How do I add my service to the Family Service Directory? (or take ownership of an existing entry) - [Guidance here](#)

The FSD has lots of information on national and local organisations, services and activities for families, children and young people and the practitioners supporting them. This includes details of [childcare providers](#) (Childminders, Day Nurseries, Playgroups, etc) in Manchester.

The FSD is being developed as a key tool to support the delivery of the [Early Help Strategy](#) for Manchester and will include information, advice and guidance to support the whole family approach.

The Disability and Special Educational Needs (SEN) section includes lots of advice and information, which makes up [Manchester's Local Offer](#) for families of disabled children and young people up to the age of 25.

If you are unable to find the service you require please contact the Family Information Service, via Contact Manchester on fisinfo@manchester.gov.uk or by telephone on 0161 234 5001.

If you know of any changes to services, please click on the link to the online [feedback form](#) at the bottom of this page or email the directory support team on fsd@manchester.gov.uk

Please note that the role of this directory is to provide information. It is your responsibility to make sure that services are appropriate for your family and we recommend that you contact the services directly to ensure that they are able to meet your requirements.

If you are concerned that a child may be at risk of harm, please call Contact Manchester on 0161 234 5001.
