

I love going
to Nans for
a brew...

Me and our
kid we're like
peas in a pod!

Completing my
degree was my
proudest moment...

We look out
for each other
round here...

I could wake the
dead with a set
of tap shoes on!

Story of me!

A place to share your story,

We all have our own story to tell. 1.8 billion
people in the world, not one story is the same
as yours!

I won most
beautiful baby
award in our
local paper

My mum told everyone
that story, and
showed the pictures!

— Story of me! —

This is a place to share your story, because we want to know all about you!

We all have our own story to tell. 1.8 billion people in the world, not one story is the same as yours!

This project is about getting people talking and helping people to learn about each other. It is more important than ever that we keep talking.

— People, need, people! —

It is the hope that this project will help new connections develop in our communities, while also helping families and friends to continue to keep talking with a fresh outlook. If you come across this project you could...

- Complete it yourself.
- Print a copy and post it to someone you think might like it.
- Use the digital download as a reference, give someone a call who you think needs some human connection, complete it with them over the phone. **This could bring some new topics to your conversations!**

This is an opportunity to document our stories, thoughts and feelings to share with the special people in our lives. Or, just keep your story for you. This project was created in the year 2020 when we are all living through some extraordinary times! It is more important than ever that we preserve our stories for future generations to learn from.

If you would like to share your story with our team we will be collating stories and turning them into an exhibition at a later date.

Story of me!

This is a place to share your story, because we want to know all about you!

You can email pictures of completed parts of your workbook
to **jenny.winstone@onemanchester.co.uk**

or, if you would like to take part in a virtual group where you
can talk to new people and share your work please let us know!

Also, if you want to share parts of your story but remain anonymous
that's ok too. You can find more information on this project on the One
Manchester website.

Thank you for taking part in this project. Remember,

WE ARE IN IT TOGETHER!
We need each other!
